I hope we were clear in our desire that the County organize the meeting—I don't want to meet with Luttrell ---

I am equally frustrated with him—I just wanted to brainstorm with you. WE can rally after next week

Fine with me if you try to meet with Luttrell while I'm out of town.

My biggest concern is letting someone from that group moderate any of the community meetings. It will get out of hand and be a bashing of Mayor, Strickland, Judge Michael and you !
